Exclusive Session on ‘Q3 RESULTS & MARKET OUTLOOK’

Wasankar Wealth Management Ltd has organized an Exclusive session on ‘Q3 RESULTS & MARKET OUTLOOK’ as part of its regular investors’ meet for members on Sunday 30th January 2011 from 11.30 am for one hour.

The results season is well on its way. Major results have come in including that of Reliance Industries. The market range bound amidst high volatility. In the ultimate analysis, fundamentals always dictate the long term trend of a stock or market. Earning is one of the most important fundamental factors that determine the price trend. Besides quarterly numbers, all major companies also indicate their guidance for the future. SENSEX EPS growth and future expectations will play a vital part in determining how far the market can go up or down.

Wasankar Wealth Management Ltd has therefore organized an exclusive session on ‘Q3 RESULTS & MARKET OUTLOOK’ as part of its regular investors’ meet for members on Sunday 30th January 2011 from 11.30 am for one hour. This exclusive session will also try to find answers to the question of whether the earnings can take SENSEX back to 21K and beyond.

Major topics to be covered in the session will include –

- SENSEX EPS forecast and market levels
- Q3 results and earnings of major index players
- What to look for in Reliance Industries going forward
- A look at banking results
- Sector outlook on the charts
- Market levels technically

In the recently concluded 200th investors’ meet, long term outlook for India and strategy for growing with India was discussed. Innovative strategy for risking a small amount through derivative for boosting returns was also discussed. The fall in the market is considered an opportunity and tactics for use of the innovative strategy will be covered in this meet.
