

PRESS RELEASE

Wasankar Wealth Management Pvt. Ltd, Nagpur launches Wasankar Training Institute

In the field of investments there is an information overflow through various media including books. There are more myths than realities which ultimately result only in confusing the investors. As a result they are generally not able to benefit from growth in India and Equity Market in India. Recognizing the need for empowering investors through education, Wasankar Wealth Management Pvt. Ltd, has set up a separate division, Wasankar Training Institute (WTI) to provide education in the field of both fundamental and technical analysis to enable investors to be their Own Wealth Managers. Besides, WTI would also be conducting training sessions on Financial Planning, Wealth Management Process, and Risk Management etc.

The first training session would start from 12th Aug 2009 on 'Practical Application of Technical Analysis'. This session would be spread over 4 weeks with two sessions per week on Wednesday and Friday from 7 pm to 8.30 pm. The training sessions will be held in Wasankar House, 247 Hill Road, Shivajinagar at its fully equipped auditorium where weekly investors meet is held for members. The topics to be covered include-

- 1. Introduction to Technical Analysis**
- 2. Myths and Truths**
- 3. Selected Technical Studies**
- 4. Objective based studies**
- 5. Case studies with selected indicators**
- 6. Trend Vs Momentum studies**
- 7. Taking a view on market direction**
- 8. Estimating Risk and Reward**
- 9. Framing Strategies**

The forthcoming topics for training proposed to be covered by March 2010 are Pivots, Fibonacci, Elliot Wave, Trading in Future & Option Strategies. Members of Wasankar Wealth Management enjoy heavy discounts on individual training sessions and further discounts on joining for all the training session till March 2010. Industry selection based on macro fundamentals, Tricks and Tips for selecting companies based on valuations etc, workshops on portfolio building and restructuring (both Equity and MF) are some of the specialized courses that are planned to be conducted in 2009-2010.

Our present academic curriculum including professional courses empower the students to be good business men or professionals or executives but do not empower them to be good investors or wealth

managers. Wasankar Wealth Management plans to remedy this with the cooperation of various educational institutes.
